

HOLY ROSARY STUDENTS OF THE MONTH

Middle School Student of the Month

The entire staff of Holy Rosary is proud to nominate Alex Bissett as the December student of the month for the middle school. Alex demonstrates, on a daily basis, true leadership and discipleship in his actions, words and interactions. Inside the classroom, Alex can be found focused on his studies, working hard to understand new topics, expanding his knowledge of old topics and consistently participates in classroom discussions. He is that student that no matter what you are doing, you know that a 100% of the time, he is listening and taking notes on what he is hearing. Besides being a great student in the classroom, Alex also has many passions that he takes part in outside the classroom. He is a member of our school show choir and more than likely, our school play. Along with his passion for performing arts, Alex can often be found altar serving at Mass on the weekends and is an avid sports athlete. What really is a calling card of Alex is his commitment to Virtue. Alex has been nominated for the virtue of the week once this year and is consistently in discussion for these character awards. He helps those in need and is always willing and ready to help. We are very proud to have Alex as the first Student of the Month for December!

Elementary School Student of the Month

Holy Rosary is extremely proud to announce that Rosemary Stacey has been nominated as the first Student of the Month for December. Rosemary is an amazing student who pushes the boundaries of her own education. She can always be found working on something new, reading a book, or most importantly helping others. She is a great leader who consistently demonstrates her virtues all day, every day. She is kind and courteous, patient and dedicated to learning something new each day. Besides being an amazing student inside the classroom, Rosemary also has a number of passions that she seeks out beyond the normal studies. She is a member of our school choir and truly loves praising Jesus through the use of her musical talents. Much like our Middle School Student of the Month, what truly defines Rosemary is her dedication to growth in Virtue. She is always reverent during morning pray and participates in discussions of God. She has been the recipient of multiple Virtue of the week awards and always one of the students you think of when picking these types of awards. She is willing to play with anyone and always can be found having fun with her friends and classmates. We are very proud to have Rosemary as the first Elementary Student of the Month for December.

Congratulations to our two Students of the Month for December and to all the students of Holy Rosary. These decisions are never easy because each and every one of you could be the Student of the Month. Keep striving for those goals!

God Bless,
Holy Rosary Staff
